By Rail

- Beaconsfield is on the Chiltern line between London Marylebone Station and Birmingham.
- From either direction, take a Chiltern train to Beaconsfield. From Marylebone, the trip time is usually 20-35 minutes and is two stops past Gerrards Cross and one stop before High Wycombe.
- It is a five-minute walk from the Beaconsfield station to our office. From the station walk up the hill to Station Road and turn left. Walk along Station Road, and you will find Rouse Partners on the left hand side next to Hughes of Beaconsfield (Mercedes Dealership).

By Road

- Follow M25 signs towards Heathrow, and exit onto the Westbound M40 (Junction16)
- Exit at Junction 2 (Beaconsfield-A355) at the motorway roundabout.
- Take the 1st exit at the roundabout onto the A40 towards Beaconsfield.
- At the next roundabout in the Old Town take the 3rd exit, following signs to the New Town.
- Carry on until you see Hughes of Beaconsfield (Mercedes Dealership) on your right hand side, where our parking is located.

In the unlikely event that our guest parking spaces are occupied, there is a Marks & Spencer car park opposite our office which is accessible from Burkes Road.

We look forward to meeting you soon.
